EDITORIAL

From the technical zone 2 George Larcos' run down of the first AJUM under his editorship

WFUMB 2009 INFO AND TIMETABLE

WFUMB 2009 – an unique opportunity for ultrasound and medical imaging 10 Convenor Prof Rob Gibson invites you to the world's premier ultrasound event

THE EXECUTIVE

President's message 15 The President has been making contact with members all over Australia and in New Zealand

CEO's message 16 CEO reports on another busy period and looks forward to WFUMB

DIAGNOSTIC ULTRASOUND

Endoscopic ultrasound: an overview of its role in current clinical practice 21 A comprehensive run down of the technique reveals its wide application

Review of intraoperative TOE 30 An outline of the current status and role of intra-operative transoesophageal echocardiography

CASE REPORT

Vein of Galen abnormality 37 This case report demonstrates early prenatal diagnosis of this intracranial vascular abnormality causing cardiac overload and subsequent cardiac failure

Reversed internal jugular vein flow as a sign of brachiocephalic vein obstruction 39 A case of reversed internal jugular vein flow in a patient with left arm swelling as a sign of brachiocephalic vein obstruction

ULTRASOUND IN NEPAL

Ultrasound in remote Nepal: a sonographer's view 42 New Zealand member takes his much needed skills to remote Nepal

SIDE LOBE

Scanning the journals 45 The Gleaner is joined by Libero and The Stirrer

TECHNOLOGY UPDATE

Technology backgrounder – The SonoDrugs project 48 Drug delivery techniques that use ultrasound-activated particles to deliver doses directly to diseased tissue

THE SOCIETY

Book reviews 47 *Atlas of Pelvic Floor Ultrasound* reviewed

CCPU – Surgical (Breast and Endocrine) launched 47

DMU Survey results 47

CADUCEUS – Sydney placement 50

ASUM in Hobart 51

NZ Branch of ASUM Weekend Workshop 53

Calendar 54

New members 55

Corporate members 55

Updated instructions to authors 56

WFUMB 2009

Sydney
Australia

12th Congress of the
World Federation
for Ultrasound in
Medicine and Biology
August 30 – September 3, 2009

Cover image: Vein of Galen abnormality
