ASUM CPD WORKSHOPS

Canberra: Vascular Workshop

James Gotting

MMed US, DMU

James Gotting is an accredited medical sonographer and is currently Chief Sonographer at Vascular Ultrasound Partners. He has been a well recognised and respected member of the radiography and ultrasound community in South Australia for over 20 years. During this time, he has worked in both public and private health systems and has been the Senior Radiographer and Sonographer at both the Royal Adelaide and Queen Elizabeth Hospitals, also working in Victoria and the United Kingdom.

Since 2001 James has been a lecturer, presenter and marker in Post Graduate Medical Ultrasound and Undergraduate Radiography Degree at the University of South Australia.

James has presented nationally at Vascular 08, ASA2009, ASA branch meetings 2008, 2010, ASUM MDW 2012 and internationally at Asian Vascular 2006 and HKL Workshops 2008 and 2011.

A/Prof Stephen Bradshaw

MBBS, FRACS

A/Prof Stephen Bradshaw is a Vascular Surgeon in full time practice in the ACT. He is also in private practice and attends the Canberra Hospital as a Visiting Medical Officer.

A/Prof Bradshaw has lived in Canberra for the last 21 years having trained in surgery in Sydney and the United Kingdom. In Canberra, he has been involved in the administration of surgery as a previous Director of the Division of Surgery, and is the current head of the Vascular Surgery Unit, a position he has held for the past 10 years.

A/Prof Bradshaw has also been involved with the John James Memorial Hospital in the past, as Director of Medical Services and Chairman of the Board. For the past 13 year he has been on the ACT Medical Board and as President of the Board since 2006.
