

Biography: Dr. Priya Patel

Priya is an Intensive Case Specialist at John Hunter Hospital, with clinical experience across the UK and Australia. Her clinical interests lie in ventilation, trauma and ICU outreach. She is currently the Co-Lead of the ICU Outreach Service and sits on the National Standard 8 Committee (Recognising and Responding to Acute Deterioration) for the hospital.

Priya's non-clinical interests lie in education and pastoral care for trainees. She is the BASIC course convener for John Hunter Hospital, is a co-lead for ICU Fellowship education and teaches on the Acute Medicine Program. She is a Supervisor of Training for Critical Care SRMOs and leads the John Hunter ICU Mentorship Program. She is also on the Wellbeing Committee for John Hunter ICU, assisting with our "Learning from Excellence" initiative and Schwartz Rounds.

Priya is a keen student of clinical ultrasound, having an echocardiography focus during her ICU fellowship at Royal Perth Hospital and recently completing a Thoracic Ultrasound course. She aims to obtain the European Diploma in Advanced Critical Care Echocardiography in the next 2 years.
